Michigan Interchange I-75 Closures

EMERGENCY DETOUR ALERT: Bridging North America (BNA) has implemented a new detour on Woodmere Street in response to the emergency closure of the Fort Street and Dearborn Street intersection. Northbound motorists heading toward Springwells Street northbound will be detoured to Fort Street eastbound/Melville Street eastbound, south on Green Street southbound, west on Jefferson Avenue westbound, north on Dearborn Street northbound, north on Woodmere Street, east on Vernor Highway eastbound, and then Springwells Street.

Fort Street - **NEW**

- The existing mobile closure on Fort Street between Springwells Street and Clark Street will remain in place until December 23, 2022, from 9 a.m. to 2 p.m. daily as needed.
- The right lane of westbound Fort Street will close between Military Street and Livernois Avenue from October 26 - November 9, 2022.
- The parking lane on westbound Fort Street will close between Wheelock Street and Beard Street from November 1 - 10, 2022.
- The right lane on westbound Fort Street will close between Wheelock Street and Beard Street from November 1 - 10, 2022, from 7 a.m. to 6 p.m. daily as needed.
- All lanes of Fort Street will close between Crawford Street and Campbell Street on November 4 - 7, 2022, and November 18 - 21, 2022.
- The right lane of westbound Fort Street will close between Campbell Street and Morrell Street on November 4 - 7, 2022, and November 18 - 21, 2022.
- The right lane of eastbound Fort Street will close between West End Street and Crawford Street on November 4 - 7, 2022, and November 18 - 21, 2022.

Jefferson Avenue - **NEW**

- The right lane of eastbound Jefferson Avenue between West End Street and Campbell Street will remain closed, and traffic will continue to be shifted to westbound Jefferson Avenue until November 30, 2022.

Michigan Interchange I-75 Closures

West End Street

- Southbound and northbound I-75 Service Drives will remain closed between Wheelock Street and Springwells Street until December 16, 2022.

Campbell Street - NEW

- The existing long-term closure on Campbell Street between West Jefferson Avenue and Fort Street will remain in place until May 31, 2023.

Livernois Avenue - NEW

- Northbound and southbound Livernois Avenue will close between northbound I-75 Service Drive and southbound I-75 Service Drive. Traffic will be reduced to one-way traffic on Livernois Avenue between northbound I-75 Service Drive and southbound I-75 Service Drive. Flaggers will be present to direct traffic.
- There will be a mobile closure on Livernois Avenue between Fort Street and southbound I-75 Service Drive, from 7 a.m. - 6 p.m. daily as needed. Closures will be less than one hour in duration.
- All lanes on southbound Livernois Avenue will close between Fort Street and Lafayette Boulevard on November 4 - 7, 2022, November 11 - 14, 2022; and November 18 - 21, 2022.
- The left lane of northbound Livernois Avenue will close between Fort Street and southbound I-75 Service Drive from October 26 - November 9, 2022.

Springwells Street

- The right lanes on northbound and southbound Springwells Street will remain closed between Fort Street and southbound I-75 Service Drive daily from 9 a.m. to 3 p.m. Only one lane will close at a time. If the work can be completed via a mobile closure, then a mobile closure will be used instead. Mobile closures will be less than one hour.

Michigan Interchange I-75 Closures

I-75 Service Drive

- Existing mobile closures on the northbound and southbound I-75 Service Drives between Clark Street and Scotten Streets, and Springwells and Central Streets will remain in place until March 31, 2023, between 6 a.m. - 6 p.m. as needed. Only one lane will close. Closures will be less than 30 minutes in duration during these timeframes for mobilization and demobilization of equipment activities.
- The existing mobile closures along northbound and southbound I-75 between Schaefer Avenue and Michigan Avenue will remain in place until April 28, 2023, from 7 a.m. - 6 p.m. daily as needed.
- The existing northbound and southbound I-75 Service Drive closures between Waterman Street and Dagoon Street will remain in place until December 16, 2022. These long-term closures have been extended to complete the realignment and reconstruction of the northbound and southbound I-75 Service Drives.
- Northbound and southbound I-75 Service Drive will close over a long-term period between Green Street and Waterman Street. Combined with pre-existing Service Drive closures in the area will make the entire northbound and southbound Service Drive closed from Springwells Street to Clark Street.

The following road closures are in place:

- Waterman Street between northbound and southbound I-75 Service Drive
- Dagoon Street between Fort Street and the southbound I-75 Service Drive
- Green Street between Fort Street and the southbound I-75 Service Drive

Long Term I-75 Closures

As construction of the Michigan Interchange and the US Port of Entry (POE) continues, Bridging North America will extend the temporary closures along Livernois Avenue. Additionally, Cavalry Street and Military Street will remain closed over a long-term period. As a reminder, in July 2020, several streets closed over a long-term period including sections of Dragoon Street, Driggs Street, Harvey Street, Reeder Street and Hussar Street.

Junction Street

- Junction Street bridge between the northbound and southbound I-75 Service Drives will close over a long-term period.

Springwells Court

- Springwells Court northbound and southbound is closed west of the Lafarge entrance to east of the Springwells Court detour from May 15, 2021 until November 23, 2024.

Cavalry Street

- Cavalry Street will remain closed between the northbound I-75 Service Drive and Fort Street.

Military Street

- Military Street will remain closed between the northbound I-75 Service Drive and Fort Street.

Post Street

- Post Street remains closed over a long-term period between CSX Railroad and the Delray Mechanical entrance.
