Michigan Interchange I-75 Closures

I-75 Service Drive

- Existing mobile closures on the northbound and southbound I-75 Service Drives between Clark Street and Scotten Streets, and Springwells and Central Streets will remain in place until March 31, 2023, between 6 a.m. - 6 p.m. as needed. Only one lane will close. Closures will be less than 30 minutes in duration during these time frames for mobilization and demobilization of equipment activities.
- The existing mobile closures along northbound and southbound I-75 between Schaefer Avenue and Michigan Avenue will remain in place until April 28, 2023, from 7 a.m. – 6 p.m. daily as needed.
- The existing northbound and southbound I-75 Service Drive closures between Waterman Street and Dragoon Street will remain in place until December 16, 2022. These closures have been extended to complete the realignment and reconstruction of the northbound and southbound I-75 Service Drives.
- Northbound and southbound I-75 Service Drive will close over a long-term period between Green Street and Waterman Street. Combined with pre-existing Service Drive closures in the area will make the entire northbound and southbound Service Drive closed from Springwells Street to Clark Street.
- The left two lanes of southbound I-75 Service Drive will remain closed between Springwells Street and Central Street until December 16, 2022
- The left lane of northbound I-75 Service Drive will remain closed between Springwells Street and Glinnan Street until December 16, 2022

The following road closures are in place:

- Waterman Street between northbound and southbound I-75 Service Drive
- Dragoon Street between Fort Street and the southbound I-75 Service Drive
- Green Street between Fort Street and the southbound I-75 Service Drive
- Northbound and Southbound I-75 Service Drive will remain closed between Clark Street and Dragoon Street until December 16, 2022.
- Northbound and Southbound I-75 Service Drive will remain closed between Junction Street and Clark Street until December 16, 2022, at 6:00 p.m.
- Northbound and Southbound I-75 Service Drive will remain closed between Dragoon Street and Junction Street until December 16, 2022 at 6:00 p.m.

Week of December 5, 2022

Long Term I-75 Closures

As construction of the Michigan Interchange and the US Port of Entry (POE) continues, Bridging North America will extend the temporary closures along Livernois Avenue. Additionally, Cavalry Street and Military Street will remain closed over a long-term period. As a reminder, in July 2020, several streets closed over a long-term period including sections of Dragoon Street, Driggs Street, Harvey Street, Reeder Street and Hussar Street.

Junction Street

- Junction Street bridge between the northbound and southbound I-75 Service Drives will close over a long-term period.

Springwells Court

- Springwells Court northbound and southbound is closed west of the Lafarge entrance to east of the Springwells Court detour from May 15, 2021 until November 23, 2024.

Cavalry Street

- Cavalry Street will remain closed between the northbound I-75 Service Drive and Fort Street.

Military Street

- Military Street will remain closed between the northbound I-75 Service Drive and Fort Street.

Post Street

- Post Street remains closed over a long-term period between CSX Railroad and the Delray Mechanical entrance.

Campbell Street

- The existing long-term closure on Campbell Street between West Jefferson Avenue and Fort Street will remain in place until May 31, 2023.

Construction Activities - United States

Week of December 5, 2022
Construction Activities

US Port of Entry (POE)

- Removal of the surcharge material continues at the west bridge.
- Installation of underground wet and dry utilities continues.
- Installation of metal composite material (MCM) panels and masonry unit (CMU) blocks continue as well as the installation of pipe insulation, overhead hangers, conduits, pipes, ducts and caulked glass for the Commercial building.
- Crews are preparing slab on grade for snow melt, performing wall rough-ins for conduit and installing overhead hangers, ducts, conduits and pipes for the Main building. Activities also include the installation of masonry unit (CMU) blocks, partition steel, interior framing and girts and curtain wall installation and glazing.
- Column isolation work and the installation of masonry unit (CMU) blocks continue for the Outbound building. Work also continues on the overhead hangers, pipes and conduits.
- Crews continue underground floor boxes and slab on grade preparations for the Pedestrian Processing building.
- Form work for the east battered piers continues for the Non-Commercial and the Commercial Canopies.
- Footings formwork continues for the After-Hours Canopy.
- Installation continues of overhead hangers and pipes and exterior framing on the Skybridge.

US Bridge

- Crews have installed a new set of anchor boxes in the tower.
- Approach and back span activities are ongoing.
