

Gordie Howe International Bridge

Construction Activities - Canada

Week of October 23, 2023

Road Closure

Sandwich Street

- Southbound Sandwich Street between the Essex Terminal Railway (ETR) tracks and Chappell Avenue anticipated to close September 5, 2023, for 14 weeks. One lane of northbound traffic will remain in place. During this closure, businesses located on this section of Sandwich Street will be accessible via northbound Sandwich Street only.
- For more information about active road closures, we encourage you to visit the project website at GordieHoweInternationalBridge.com.

Canadian Port of Entry (POE)

- Construction activities remain ongoing for interior and exterior components of the buildings and structures.
- This week, activities include the installation of flooring, exterior bent plates, curtain walls and rebar. Electrical, plumbing and HVAC rough installations are ongoing, as well.
- The pulling of communication cables has commenced.

Canadian Bridge site

- Cap construction continued at anchor pier.
- Rebar installation ongoing for tower upper pylon construction.
- Installation of main span segment panels continued.
- Stay cable installation work continues.
- Approach and back span activities are ongoing.
