

Gordie Howe International Bridge

Construction Activities: Canada

Dates and times provided below may change due to weather conditions and other factors affecting construction activities. Although this list is intended to be comprehensive, unavoidable emergency road detours and road closures may occur. Please watch for workers along this corridor. We apologize for any inconvenience and thank you for your patience

Week of December 12, 2016

Perimeter Access Road (PAR)

There is no construction work related to PAR currently planned.

Excavation Activity

Site excavation will occur in four separate test pit locations north of Mckee Street and west of Sandwich Street. The purpose of the test pits is to observe soil and groundwater conditions in an open excavation.

Utility Work

There are no Hydro One activities currently planned.

Temporary Road Closures

Broadway Street (from Linsell Avenue to Sandwich Street) and Sandwich Street (from Chappus Street to Broadway Street) will be closed to traffic until December 31, 2016.

For more details about these road closures, please visit the City of Windsor website: <http://www.citywindsor.ca/residents/construction/pages/construction-projects.aspx>.
