

Gordie Howe International Bridge

Construction Activities: United States

Dates and times provided below may change due to weather conditions and other factors affecting construction activities. Although this list is intended to be comprehensive, unavoidable emergency road detours and road closures may occur. Please watch for workers along this corridor. We apologize for any inconvenience and thank you for your patience.

Week of May 11, 2016

Demolition Activity

Demolition activities will occur on Waterman Street (between Jefferson Street and South Street), Rademacher Street (between South Street and Fort Street), Casgrain Street (between Lafayette Street and I-75) and Dragoon Street (between South Street and Fort Street). The roads will remain open and the work is not expected to impact traffic.

Preliminary Site Investigation (PSI)

PSI work will occur on Waterman Street (between Jefferson Street and South Street) and on South Street (between Green Street and Waterman Street). The roads will remain open and the work is not expected to impact traffic.

Survey Activity

Survey crews will be working along the southbound I-75 Service Drive (between Springwells Street and Campbell Street) and on West End Street (between Fort Street and Melville Street). This activity is scheduled to be completed by May 7, 2016.

Utility Work

There is no utility work currently planned.

Temporary Road Closures

There are no road closures work currently planned.
