

# Gordie Howe International Bridge

## Construction Activities: United States

Dates and times provided below may change due to weather conditions and other factors affecting construction activities. Although this list is intended to be comprehensive, unavoidable emergency road detours and road closures may occur. Please watch for workers along this corridor. We apologize for any inconvenience and thank you for your patience.

### Week of May 16, 2016

#### Demolition Activity

Demolition activities will occur on South Schroeder Street (between Jefferson Avenue and South Street), South Street (between Livernois Avenue and Crawford Street), Military Street (between Jefferson Avenue and the railroad tracks), the Southbound I-75 Service Drive (between Morrell Street and Ferdinand Street) and South Reid Street (between Jefferson Avenue and Holly Street). The roads will remain open and the work is not expected to impact traffic.

#### Preliminary Site Investigation (PSI)

PSI work will occur on Waterman Street (between South Street and Jefferson Avenue), South Street (between Green Street and Post Street), Campbell Street (between South Street and I-75), Green Street (between South Street and Fort Street), Livernois Avenue (between West Jefferson Avenue and Holly Street), Fort Street (between Calvary Street and Campbell Street) and Calvary Street (between the southbound I-75 Service Drive and Amherst Street) and on West Jefferson Avenue (between Post Street and Waterman). The roads will remain open and the work is not expected to impact traffic. The work at these location is expected to be completed by June 3, 2016

#### Survey Activity

Survey crews will be working along southbound I-75 Service Drive (between Springwells Street and Campbell Street); Glinnan Street (from I-75 to Lafayette Blvd), Solvay Street (between I-75 and Lafayette Blvd.), Crawford Street (between I-75 and Lafayette Blvd.) and Campbell (between I-75 and Amherst Street). This work is expected to be completed before May 20, 2016. The roads will remain open and the work is not expected to impact traffic.

#### Utility Work

There is no utility work currently planned.
