

Gordie Howe International Bridge

Construction Activities: United States

Dates and times provided below may change due to weather conditions and other factors affecting construction activities. Although this list is intended to be comprehensive, unavoidable emergency road detours and road closures may occur. Please watch for workers along this corridor. We apologize for any inconvenience and thank you for your patience.

Week of May 24, 2016

Demolition Activity

Demolition activities will occur on South Street (between Livernois Avenue and Crawford Street), Southbound I-75 Service drive (between Morrell Street and Ferdinand Street), and on South Reid Street (between Jefferson Avenue and Holly Street). The roads will remain open and the work is not expected to impact traffic.

Preliminary Site Investigation (PSI)

PSI work will occur on Waterman Street (between South Street and Jefferson Avenue), Campbell Street (between South Street and I-75), Green Street (between South Street and Fort Street), Livernios Avenue (between Jefferson Street and Holly Street), Fort Street (between Calvary Street and Campbell Street), Calvary Street (between SB I-75 Service Drive and Amherst Street), West Fort Street (between Casgrain Street and Livernois Avenue), Casgrain Street (between Fort Street and the NB I-75 Service Drive) and on Jefferson Avenue (between Post Street and Waterman). The roads will remain open and the work is not expected to impact traffic. The work at these location is expected to be completed by June 3, 2016.

Survey Activity

There is no survey work currently planned.

Utility Work

There is no utility work currently planned.
