

GORDIE HOWE INTERNATIONAL BRIDGE

NEW DATE Springwells Court Temporary Closures

THE PROJECT

The Gordie Howe International Bridge project between Windsor, ON and Detroit, MI will help move goods and people more efficiently at this important trade gateway. Managed by Windsor-Detroit Bridge Authority (WDBA) working in collaboration with the State of Michigan, the project is being delivered through a public-private partnership (P3) which will see Bridging North America design, build, finance, operate and maintain the bridge.

As construction of the US Bridge continues, Bridging North America will temporarily close Springwells Court. This closure is required to support construction works for the United States Bridge to Canada.

DETAILS:

- Springwells Court northbound and southbound will close west of the Lafarge entrance to east of the Springwells Court detour from May 14, 2021, until November 23, 2024.

Springwells Court Detours

- Springwells Court southbound traffic will be detoured around the closure via the Springwells Court detour back to Springwells Court.
- Springwells Court northbound traffic will be detoured around the closure via the Springwells Court detour back to Springwells Court.

We appreciate your cooperation throughout this project. Every effort will be made to reduce inconvenience to drivers, residents and the business community. If you have any questions or concerns regarding traffic or these construction activities find out more:
