# Gordie Howe International Bridge

## Construction Activities - Canada

**Week of January 20, 2025**

### Construction Activities

#### Canadian Port of Entry (POE)

- Construction activities remain ongoing for interior and exterior components of the buildings and structures.
- This month, activities focus on the construction of toll booths and paving including sidewalks and the multi-use path. Remaining landscaping activities will continue in spring.

#### Canadian Bridge site

- The Canadian bridge tower has reached its full height of 220 metres/722 feet.
- The two sides of the bridge deck are now connected over the Detroit River.
- All stay cables have been installed. Post tensioning of the stay cables is currently underway.
- Approach and back span activities are ongoing.
- Ongoing activities include the installation of fencing, signage, lighting and systems such as fire suppression and drainage.
