GORDIE HOWE INTERNATIONAL BRIDGE ONLINE COMMUNITY MEETING

The Project

The Gordie Howe International Bridge project between Windsor, ON and Detroit, MI will help move goods and people more efficiently at this important trade gateway. Managed by Windsor-Detroit Bridge Authority (WDBA) and working in collaboration with the State of Michigan, the project is being delivered through a public-private partnership (P3) which will see Bridging North America (BNA) design, build, finance, operate and maintain the bridge.
