Construction Activities - United States

Week of August 18, 2025

Michigan Interchange I-75 Closures

Junction Street - **NEW**

- Northbound Junction Street will close at Fort Street from August 18 – 22, 2025, 7 a.m. to 6 p.m. daily as needed.
- The existing closure on Junction Street between Fort Street and northbound I-75 Service Drive will remain closed until late summer 2025.
 - When Junction Street is closed, drivers will use Campbell Street to access the alley (north of Fort Street between Campbell Street and Junction Street). This will be the primary access point for residents who live on the west side of Junction Street during this work.
 - BNA will be onsite and will coordinate local access as needed to Junction Street during construction work hours from 6 a.m. to 6 p.m.
 - During work hours, residents can park on Fort Street near the corner of Junction Street or on Junction Street, south of Fort Street (near CHASS).
 - Campbell Street and Junction Street will not close at the same time to ensure access is maintained. Traffic updates will be provided as work moves forward. Emergency Services will be kept informed of all access changes in the area.
 - Pedestrian access will be available around Junction Street through Fort Street, Campbell Street, Morrell Street and the northbound I-75 Service Drive.
 - The Junction Street closure will not impact trash pick-up, mail delivery or access to homes.
 - Junction Street Detours: Local traffic on Fort Street heading to Junction Street northbound will be detoured to Campbell Street northbound, east on northbound I-75 Service Drive to Junction Street. Local residents north of Fort Street between Campbell Street and Morrell Street can access Fort Street through Campbell Street, the alleyways, northbound I-75 Service Drive, and Morrell Street by following the detour signs.
- The existing closure on Junction Street at the intersection of the northbound I-75 Service Drive will remain in place until spring 2025 from 7 a.m. to 6 p.m. daily as needed.
 - Detour routes are in place and include the following:
 - Junction Street Detour
 - Local residents north of Fort Street between Campbell Street and Junction Street can access Fort Street through Campbell Street and the local alleyway by following the detour signs.
 - Local residents north of Fort Street between Junction Street and the alleyway between Junction Street and Morrell Street can access Fort Street through Morrell Street and the local alleyways by following the detour signs.

Construction Activities - United States

Week of August 18, 2025

Long Term I-75 Closures

As construction of the Michigan Interchange and the US Port of Entry (POE) continues, Bridging North America will extend the temporary closures along Livernois Avenue. Additionally, Cavalry Street and Military Street will remain closed over a long-term period. As a reminder, in July 2020, several streets closed over a long-term period including sections of Dagoon Street, Driggs Street, Harvey Street, Reeder Street and Hussar Street.

Junction Street

- Junction Street bridge between the northbound and southbound I-75 Service Drives will close over a long-term period.

Springwells Court

- The existing closure on northbound and southbound Springwells Court will remain closed west of the Lafarge entrance to the east of the Springwells Court detour until late spring 2025.

Cavalry Street

- Cavalry Street will remain closed between the northbound I-75 Service Drive and Fort Street.

Military Street

- Military Street will remain closed between the northbound I-75 Service Drive and Fort Street.

Post Street

- Post Street remains closed over a long-term period between CSX Railroad and the Delray Mechanical entrance.
- On March 25, 2024, Post Street will close over a long-term period between Jefferson Avenue and South Street. Access will be maintained for Delray Mechanical from Jefferson Avenue.

I-75 Northbound

- The Livernois exit-ramp at Northbound I-75 will close over a long-term period.

Gordie Howe International Bridge

Construction Activities - United States

Week of August 18, 2025

Construction Activities

US Port of Entry (POE)

- Construction activities remain ongoing for interior and exterior components of the buildings and structures.
- This month, crews continue to work on landscaping while furniture is moved into various buildings.

US Bridge site

- The two sides of the bridge deck are now connected over the Detroit River.
- All stay cables have been installed.
- Approach and back span activities are ongoing.
- The US bridge tower has reached its full height of 220 metres/722 feet.
- Ongoing activities include the installation of fencing, signage, lighting and systems such as fire suppression and drainage.

Michigan Interchange

- Construction continues as noted in the Michigan Interchange I-75 Closures above.
- This month, the focus is on paving, sidewalks and bicycle lanes.
