

PONT INTERNATIONAL
Gordie Howe
INTERNATIONAL BRIDGE

Seamlessly Connecting North America

Key features at a glance

Introducing the new
**Gordie Howe
International Bridge**,
home to the largest
land ports of entry
between Canada and
the United States.

Coming soon.

Highway-to-highway
connection

Most number of traffic
and inspection lanes

Dedicated lanes for
trucks and oversized
loads

Easy toll collection

Faster processing with
on-site secondary
inspection

State-of-the-art
technology and route
optimization tools

Transforming how trade moves through the Windsor-Detroit corridor

Connectivity and Bridge Infrastructure

- Direct connection between MI I-75 to ON 401
- Six traffic lanes measuring 12.1 ft/375 m wide
- Paved shoulders in each direction
- Accommodates oversized vehicles and hazardous materials
- Ability to convert lanes based on traffic volumes
- Barrier separating vehicular traffic from multi-use path

On-Site Inspection

- 24 primary inspection lanes in Canada
 - 16 commercial secondary inspection bays
- 36 primary inspection lanes in the US
 - 28 commercial secondary inspection bays
- Separated commercial and passenger lanes
- On-site government agencies
- Cold storage space, animal pens, warehouse parking spaces, warehouse bays for trailers and advanced large-scale imaging

Traffic Management and Security

- Dedicated 24/7 on-site traffic and operations management centre
- Traffic and security monitoring of entire site
- Vehicle detection and classification system to calculate travel and border wait times
- Automatic incident detection and emergency response coordination
- Dynamic message signs for lane streaming and traffic management
- Coordination with Michigan and Ontario transportation authorities

Toll Collection and Payment Systems

- 16 toll lanes with manual, automatic and electronic toll collection
- Rate based on vehicle classification, axle of vehicle and height
- Canadian and US funds accepted
- Account options with manual or automatic replenishment
- Accounts connected to transponders and NEXUS cards
- Monthly account statements or invoices
- Customer service call centre
