

Toll rates for the Gordie Howe International Bridge balance affordability and the modern amenities travellers will enjoy when crossing between Windsor, Ontario, and Detroit, Michigan – with the most lanes at the bridge and ports of entry, on-site inspection facilities and highway-to-highway connectivity.

Pricing is based on passenger and commercial vehicle classifications, the number of axles and vehicle height. Designed to offer tailored pricing and savings through the Breakaway toll program, every traveller will have an opportunity to cross quickly, confidently and cost-effectively.

**Small and Medium Sized Personal Vehicles
Flat Rate**

<p>Standard \$8.00 CAD / \$5.75 USD + \$8.00 CAD / \$5.75 USD per trailer</p>	<p>BREAKAWAY Rate \$6.00 CAD / \$4.35 USD + \$6.00 CAD / \$4.35 USD per trailer</p>
--	--

Maximum Height
2.3 metres / 7.5 feet

Small and medium-sized vehicles include most passenger cars, SUVs, minivans, motorcycles and light-duty trucks under 2.3 metres/7.5 feet. A flat rate will be added to the trip if a vehicle is pulling a small trailer with the same Breakaway discount applied.

Passenger vehicles with items mounted to the roof should use an Attended Toll Lane to ensure a correct toll rate is applied.

**Large Commercial and Passenger Vehicles
Rate Per Axle**

<p>Standard \$12.00 CAD / \$8.75 USD</p>	<p>BREAKAWAY Rate \$9.60 CAD / \$6.90 USD</p>
---	--

Vehicle Height Over
2.3 metres / 7.5 feet

Large commercial trucks, buses, RVs, vehicles towing fifth wheels and taller passenger vehicles over 2.3 metres/7.5 feet will be charged per axle.

**Hazardous and Oversized Vehicles
Rate Per Axle**

<p>Standard \$12.00 CAD / \$8.75 USD</p>	<p>BREAKAWAY Rate \$9.60 CAD / \$6.90 USD</p>
---	--

Vehicle Height Over
2.3 metres / 7.5 feet

Additional fees may apply to oversized vehicles

Vehicles transporting dangerous goods/hazardous materials or oversized loads have a separate classification. These vehicles will have a standard toll per axle and may face additional fees based on special handling and added safety considerations.

Rates are available in Canadian and US dollars offering convenience and flexibility for drivers with a Breakaway account or paying in cash. For debit or credit card transactions at the toll lane, the Canadian rate will apply and is subject to bank exchange rates at the time of crossing.

All toll rates are subject to change and US rates may be adjusted at the time of opening, based on current exchange rates.
