- vehicles can be imported in bulk
- an initial deposit through credit or debit\*
- selection of Breakaway tag type.

You will receive your Breakaway tags in the mail following registration. Install the tag on your vehicle and activate it through your online account. You are now ready to Breakaway with the Gordie Howe International Bridge.

\*An initial deposit is required to order a Breakaway tag. Join during preseason registration, prior to bridge opening, and enjoy reduced amounts: \$20 for personal accounts and \$150 for business accounts.

## HOW IT WORKS:

Once your Breakaway tag is installed and activated, simply drive to any open toll lane at the Gordie Howe International Bridge, and the gate will open in seconds upon your arrival. Tolls will be automatically deducted from your prepaid account or invoiced through monthly billing (postpaid).

The toll lanes at the Gordie Howe International Bridge are managed to optimize traffic flow, reduce queue lengths and save time. Two dedicated Breakaway toll lanes will always be available in each direction with the ability to add more based on traffic volumes.
